

The logo features a stylized green oil drop on the left, with a blue flame-like shape rising from its top. To the right of the graphic, the text "Oil & Gas" is in a large, grey, sans-serif font. Below it, "ENVIRONMENTAL" and "CONFERENCE" are stacked in a smaller, green, all-caps, sans-serif font.

# Oil & Gas ENVIRONMENTAL CONFERENCE

Sandy Marak Photography

## Post Conference Report

December 3-4, 2013

Omni Hotel | Downtown Dallas

[oilandgasconference.org](http://oilandgasconference.org)

## MISSION

Achieving better environmental performance and regulatory compliance in the Oil and Gas Industry.

## LEADERSHIP

The advisory board was comprised of The University of Texas at Arlington along with industry leaders including representatives from: Chesapeake Energy, New Mexico Environment Dept., FIML Natural Resources, Canada & Associates Safety Training, LLC, Schlumberger, Access Mainstream, NIOSH, Halff Associates, Inc., National Oilwell Varco, Patterson-UTi Drilling Co., Association of Energy Services, Helmerich & Payne, Crestwood Midstream LP, Range Resources, and Trinity Consultants.

## CONFERENCE DETAILS

Number of Participants: 594  
Attendees from 24 states & 7 countries  
Breakout sessions: 23  
Number of exhibitors: 60  
Number of Poster Presenters: 7  
Plenary sessions: 5

## CONFERENCE PRICING

Registration Rate:  
Early Bird \$495  
Regular \$575  
Exhibit Booth Rate: \$1950

## 2013 ADVISORY BOARD

Back row from left to right: Mark Crelia, Kenny Jordan, Darrel Canada, Dennis Alder, Bryan Sims, Jesse Hein

Third row from left to right: Dean Taylor, Ron Truelove, Ernest Torres, Craig Brown, Jennifer Moyers, Mohammed Najafi

Second row from left to right: Dean Wingo, Ralph Tijerina, Amber Alcorn, Mike Thayer, Molly Wentworth, Keri Moore

Front row from left to right: Cassandra Smith, Lisa London, Marsie DeOliveira, Teresea Madden-Thompson, Elizabeth Lawhorn-Cryder

Not Pictured: Micah Backlund, Eric Esswein, Marie Peterson, Butch Tongate

## ATTENDEES BY LOCATION

Attendance from other countries:  
Australia  
Brazil  
Canada  
Nigeria  
Russian Federation  
Singapore

## ATTENDEES BY CATEGORY

## PARTIAL LIST OF COMPANIES IN ATTENDANCE

Access Midstream Partners  
 Allied International Emergency, LLC  
 Anadarko Petroleum Corporation  
 Basic Energy Services  
 Blackshare Environmental Solutions  
 BOS Solutions  
 Brammer HSE Services  
 Canada & Associates Safety Training, LLC  
 Center for Toxicology and Environmental Health  
 Chesapeake Oilfield Services, LLC  
 City of Fort Worth  
 City of Grand Prairie  
 Conestoga-Rovers & Associates, Inc.  
 ConocoPhillips  
 Contek Solutions, LLC  
 Continental Resources  
 Cowboy Containments, Inc.  
 Crescent Point Energy Corp.  
 Crestwood Midstream Partners  
 Crosstex Energy Services, L.P.  
 Dakota Software Corporation  
 Devon Energy

Dexter Field Services  
 Dupre Energy Services  
 EMSI  
 Enable Midstream Partners  
 Encana Oil & Gas USA, Inc.  
 Energy Services, LLC  
 ERA Environmental Management Solutions  
 ERM  
 ES&H Consulting and Training Group  
 ExxonMobil  
 FIML Natural Resources, LLC  
 Fite Fire & Safety  
 Flatrock Engineering & Environmental, LTD.  
 Freeport-McMoRan Oil & Gas  
 Geological Resources, Inc.  
 Great Plains Analytical Services  
 Half Associates  
 Helmerich & Payne  
 HighMount E&P  
 Hill Country Environmental  
 Leidos  
 Minnesota Limited LLC

Nalco Company  
 National Oilwell Varco  
 New Mexico Environment Dept.  
 Patterson UTI Drilling Company, LLC  
 PVR Midstream LLC  
 Pyramid Environmental & Engineering PC  
 Range Resources Corp  
 Rockwater Energy Solutions  
 RPS Solutions  
 Schlumberger  
 SKILLS Fleet Safety Training School  
 Summit Consulting & Safety  
 TCEQ  
 The University of Texas at Arlington  
 Trinity Consultants  
 Waste Connections of Texas  
 XTO Energy

## LAND

- Human Health Risk Assessment of Hydraulic Fracturing
- Taking NORM Management to the Next Level: What You Need To Know
- Petitions and Coalitions: The Future of the Endangered Species Act
- From the cradle to YOUR grave
- Storm Water, SPCC, and Waste Management
- Shale Energy and the Right-to-Know
- Risk Management in the Oil and Gas Sector - Waste Vendor Auditing
- Oil and Gas Drilling and Production Chemicals, Waste and Environmental Impacts

## BREAKOUT SESSIONS

Breakout sessions covered topics in the following areas: Air, Land, Environmental Planning, and Water.

### AIR

Comparison of Emission Calculations Methodologies for the Oil and Gas Industry

Utilization of a Vapor Recovery Tower to Potentially Reduce Tank Emissions

Flowback Emissions and Regulations

Evaluation of Airborne Exposures During Oil and Gas Exploration and Production: Current Data and Considerations for Future Studies

H2S Rule 36

Oil and Gas Minor Source Permitting: Comparison by State

## ENVIRONMENTAL PLANNING

What does it Mean for Oil and Gas to be "On the List?" - Understanding, Preparing for, and Surviving EPA's National Enforcement Initiative

Oil & Gas Exploration Environmental Liabilities, Revisited in the 21st Century

Protecting Essential Refining Operations Using Blast-Resistant Electrical Equipment Shelters

From University Research to Control Implementation: Managing Environmental Impacts

Exploring a New Environmental Outreach Program Model

Response To Lost AmBe Source In West Texas

## FEATURED SPEAKERS

**John Hofmeister**  
Founder and Chief Executive  
Citizens for Affordable Energy  
& Former President, Shell Oil  
Company

**Richard C. Haut, Ph.D.**  
Senior Research Scientist,  
Houston Advanced Research  
Center

**Warren Hubler**  
Vice President of Health, Safe-  
ty and Environment (HSE) and  
Training, Helmerich & Payne IDC

**Stephanie R. Timmermeyer**  
Vice President of Environment,  
Health and Safety (EHS), Access  
Midstream

## WATER

UIC Permitting and Aquifer Exemption  
Challenges – The Madison Aquifer Case Study

EMS and Water Minimization

Exploration & Production: Site Development  
Requirements

Gas Well/Water Well Subsurface Contamination – Plan  
for Investigation

Cost Effective Reuse of Produced Water for Hydraulic  
Fracturing in the Permian Basin

H<sub>2</sub>S in the environment

Baseline and Impact Monitoring for Shale Gas  
Exploration Constituents

## POSTER PRESENTATIONS

A Programmatic Approach to Managing Upstream Oil  
& Gas Assets

Oil and Gas Minor Source Permitting: Comparison by  
State

Oil and Gas Drilling and Production Chemicals, Waste  
and Environmental Impacts

A Brief Summary on Regulatory Compliance and  
Change Management

E&P Liquid Waste Disposal Emissions

Conceptual Exposure Model for Determining Drill  
Rig Worker Health Risks Associated with Hydraulic  
Fracturing

Protecting Essential Refining Operations Using  
Blast-Resistant Electrical Equipment Shelters

Using Enterprise Risk Management to Mitigate  
Environmental Risks

**“Interesting range and diversity of speakers”**

- Rick C., 2013 Conference Attendee

**“Great opportunity to network and ignite discussions.”**

- 2013 Conference Attendee

## EXHIBITORS

Businesses took advantage of the opportunity to get their message in front of potential new customers in the oil and gas environmental industry by becoming exhibitors. The demand for exhibit space was so great that it SOLD OUT two months in advance.

## COMPANIES

Alliance Source Testing  
Allied International Emergency, LLC  
Apex Companies, LLC  
Argus-Hazco  
Blackshare Environmental Solutions  
Center for Toxicology and Environmental Health  
Century Graphics & Sign, Inc.  
Cirrus Associates  
Conestoga-Rovers & Associates  
Cowboy Containments, Inc.  
Cura Emergency Services  
Dakota Software Corporation  
Dupre Energy Services  
EMSI  
Energy Services, LLC  
Enviro Clean Products & Services  
ERA Environmental Management Solutions  
ES&H  
Examinetics, Inc.  
Fite Fire & Safety & Speyetech  
Flatrock Engineering & Environmental, LTD.  
Geological Resources, Inc.  
Guernsey  
HalenHardy  
HeckOut  
HexArmor  
IPREMS  
KBA EnviroScience, Ltd  
Koza's Inc.  
Lee TranServices, Inc.  
Leidos  
M&R Industrial Services, Inc.  
Moxie Media  
New Pig Corporation  
NMC - National Marker Company  
noodleStream.com  
OHD, Inc.  
OSHA and OSHCON  
Pyramid Environmental & Engineering PC  
RPS Solutions  
SKILLS Fleet Safety Training School  
SRP Environmental, LLC  
TEEX  
The Grayhawk Companies  
Trinity Consultants  
Turner Construction Company  
University of Texas at Arlington/Environmental Training Institute  
W & M Environmental  
Waste Connections of Texas  
Weaver Boos Consultants  
Western Falcon Inc  
Western Wyoming Community College  
Working Concepts

## SPONSORS

Select businesses demonstrated their commitment to achieving better environmental performance and regulatory compliance in the oil and gas industry by becoming sponsors of the Oil and Gas Environmental Conference. Sponsoring also provided unique opportunities for them to promote their business throughout the conference to the targeted audience they wished to reach.
