WHAT IS ETI?

The Environmental Training Institute (ETI) at UTA’s Division for Enterprise Development (DED) offers professional training for those managing environmental challenges or implementing environmental regulations. Through our Training Institute, we are able to provide Environmental, Health, and Safety (EHS) professionals six certification programs that bundle curriculum and cultivate expertise in three distinct environmental areas: Regulatory, Science, and Management.

FREE 1-HOUR ENVIRONMENTAL WEBINARS

These free, 1-hour webinars will allow you to connect with a field specialist, who will speak on current environmental topics. Participants will be able to ask questions and network with contemporaries in their field. Each webinar will cover a unique topic. Times will vary. Please refer to our website for more details.
