Please Note the Following

- A minimum of two (2) courses must have been taken with the UT Arlington OSHA Training Institute Education Center in order to receive a certification. These courses *do not* have to count towards the certification being applied for.
- If you wish to have your certification presented in your last class, your certificate request form must be submitted no more than 11 business days before the start date of your last class, and no later than 7 business days before your class start date. If you miss this deadline, or do not wish to be presented in class, please submit your certificate request form once your last class is completed.
- All packages will be shipped via FedEx with signature release unless otherwise specified.
- If you do not receive a receipt of confirmation within two (2) weeks of form submission, contact our office.
- If you are scheduled to receive your certification in your last class and you reschedule that class, there will be a \$25 fee to have the plaque re-engraved with your new completion date.
