

Driving Directions to Central Tech - Sapulpa Campus

The Central Tech Sapulpa Campus is located at 1720 S. Main St. in Sapulpa, OK. The Industry & Safety Training Building is silver and blue in color and located north of and a little to the west of the main building.

I-44 Eastbound coming from Oklahoma City: From the turnpike take Exit 211-Highway 33 (Kellyville/Sapulpa). You will turn right at the stop sign and then take a quick left at the stoplight to turn East on Route 66. This will take you into Sapulpa. Once in Sapulpa, you will turn right onto Main St. and head South. Look for Central Tech several miles up the road at 1720 S. Main - it will be on the right (West) side of the road.

I-44 Westbound coming from Tulsa: Coming out of Tulsa heading West, I-44 and Highway 66 split; Highway 66 heads left and I-44 stays right. Follow Highway 66 left to Sapulpa. Take Highway 66 into Sapulpa until you reach the intersection where Sapulpa H.S. sits. At that intersection Highway 66 turns right, but you should continue straight (South) through the intersection and continue on that road until you come to the stoplight at Taft. Turn right (West) on Taft until you come to Main St. Turn left (South) onto Main St. Look for Central Tech up the road at 1720 S. Main - it will be on the right (West) side of the road.

Westbound from the Creek Turnpike: From the Creek Turnpike in South Tulsa, head West until you come to the Highway 75 junction. Take the Okmulgee/Highway 75 South exit. When heading South, you will exit at the Highway 117/121st St. exit to Sapulpa. Take a right at the stop sign and head West. Follow that road all of the way into Sapulpa until you reach Main St. Turn left (South) onto Main St. Look for Central Tech up the road at 1720 S. Main - it will be on the right (West) side of the road.

Northbound on Highway 75 from Okmulgee: Heading North on Highway 75 from Okmulgee, follow Highway 75 through Glenpool and then exit at the Highway 117/121st St. exit to Sapulpa. Take a left turn at the stop sign and head West into Sapulpa. Follow that road all of the way into Sapulpa until you reach Main St. Turn left (South) onto Main St. Look for Central Tech up the road at 1720 S. Main - it will be on the right (West) side of the road.

Southbound on Highway 75 from Bartlesville or North Tulsa: Heading South on Highway 75 cross I-44 and then the Creek Turnpike. Continue on Highway 75 until you reach the Highway 117/121st St. exit to Sapulpa. Take the exit and then take a right at the stop sign and head West. Follow that road all of the way into Sapulpa until you reach Main St. Turn left (South) onto Main St. Look for Central Tech up the road at 1720 S. Main - it will be on the right (West) side of the road.

From Hwy 51 go to Sand Springs and turn right onto Highway 97. Continue South out of Sand Springs toward Sapulpa. Once in Sapulpa, Highway 97 turns into Main Street. Continue through town, passing McDonald's (corner of Main and Hwy 117). Look for Central Tech up the road at 1720 S. Main - it will be on the right (West) side of the road. (You will feel like you are leaving town.)
