Participate in this very special educational program facilitated by Virginia Lynch, an internationally recognized forensic nursing expert, author of the text Forensic Nursing (Mosby, 2005), and clinical nurse specialist in Forensic Nursing. Expand your knowledge or come to explore this very exciting world for professional nurses. Learn about providing care to victims of crime, including sexual assaults and other interpersonal/socio-cultural crimes, collecting clinical forensic evidence, and conducting a scientific investigation of death. Learn the latest advances in forensic science, how forensic science challenges nursing practice and the special contributions that nurses make in this field every day.

Plan now to attend!

Virginia Lynch, MSN, RN, FAAN, FAAFS

Fee: $200 by August 10, 2009
$225 after August 10, 2009
